

# Yanuar Arby Kristyawan

## Summary

I am an Information Technology graduate with a solid background in software development, network systems, and database management. My work experience spans roles in Procurement and Project Control, Quality Control, and Service Engineering, complemented by courses in web development, data analytics, and digital marketing. I am now shifting my focus to web development, where I aim to apply my technical skills and industry knowledge to build innovative web solutions.

## Work Experiences

### Prochurement & Project Control

PT Bumi Cahaya Unggul, January 2016 - Now

Proficient in project planning, procurement, and vigilant project monitoring, I excel in orchestrating successful project outcomes. My strategic approach ensures efficiency and timely delivery. I am eager to bring these skills to contribute to your team.

### Quality Control & Service Engineer

PT Bumi Cahaya Unggul, January 2010 - January 2016

Conducted inspections, dimensional measurements, testing, and calibration, performed installation tasks, managed commissioning & start-up processes, troubleshooted technical issues, generated work reports, and compiled Final Service Reports.

## Education

### Bachelor of Information Technologies

Darma Persada University, July 2015 - February 2021

As a graduate of Information Technology, I have gained a solid foundation in software development, network systems, and database management. I have honed my skills in programming languages, system analysis, and design methodologies. Additionally, I have developed a strong understanding of IT project management and cybersecurity practices.

July 2023 - August 2023

### Data Analyst, Accenture Indonesia

July 2023 - August 2023

## Hard Skill

### Dev & Deployment

- GitHub
- Vercel
- Docker
- Planner
- Jira

### Front End

- JavaScript
- TypeScript
- React.js
- Next.js
- Tailwind CSS
- Chakra UI
- Wordpress

### Back End

- Node.js
- Express.js
- REST API
- Golang
- MySQL
- MongoDB
- Prisma
- Postman
- DB Diagram
- Draw.io

### UI/UX Design

- Figma
- Adobe Photoshop
- Canva

### Data Analytics

### Digital Marketing

## Soft Skill

Project Management  
Team Collaboration  
Creative Design  
Analytical Skill
